Guidelines

Visitation for all burn and non-burn patients in the Burn Unit is restricted to protect Burn Unit patients from infection and provide an atmosphere of rest to promote healing.

- Visitation will be restricted to immediate family
- No visitors under the age of 12
- Visitation times will be limited to accommodate dressing changes and patient rest intervals
- Only two visitors at a time
- Visiting privileges are to be consistent with patient's care needs and with concern for the needs of the family
- Visitors are required to obtain permission from the nurse.
- Visitors may be required to wear a gown, cap, mask, and gloves while visiting
- Visitors are required to wash their hands with disinfectant soap prior to entering and after leaving the patients room
- Flowers (silk or real), plants, and plush toys are not permitted
- A quiet atmosphere needs to be maintained to promote healing
- The Burn Unit temperature will be kept at 76 degrees F or higher
- The Burn Unit occasionally accommodates non-burn patients. Due to the danger of infection and or complications to our burn patients we must follow the same guidelines for our non-burn patients as we do for our burn patients
- The unit will be closed to families and phone calls from 7 a.m. to noon to accommodate dressing change and shift change
- The unit will be closed to families and phone calls between 7 and 8:30 p.m. to accommodate shift change
- Visiting hours will be every hour on the half hour for 30 minutes except during restricted times. These visiting hours are subject to change depending on patients' conditions and unexpected events
