Banner Churchill Community Hospital Welcomes Bo Chung, M.D., to Fallon's Family Medical Center

FALLON, NV (July 21, 2011) – Banner Churchill Community Hospital welcomes Bo Chung, MD, who specializes in family medicine, and will begin seeing patients on July 29, 2011, at Fallon Family Medical Center on 801 E. Williams Ave.

Dr. Chung earned his medical degree from Ross University School of Medicine in Dominica, West Indies, Caribbean and completed the family medicine internship and residency program at San Jacinto Methodist Hospital in Baytown, Texas. When it comes to caring for patients "I believe in providing the highest quality of medical care with a sincere personal concern for the welfare of my patients." says Dr. Chung.

Dr. Chung enjoys golf, table tennis, hiking and reading a NY bestseller novel, as well as helping out by volunteering in the communities that he resides in. His past contributions in volunteering include YMCA, Brooklyn Community Outreach Program, and assisting with Korean translation.

If you are looking for a primary care provider, Dr. Chung specializes in promoting healthy living, disease prevention, health maintenance, counseling, patient education, diagnosis and treatment of acute and chronic illnesses. For an appointment call (775)867-7740. Dr. Chung's office is located on the 3rd floor in the Family Medical Center at Banner Churchill Community Hospital.
