Self-service support - At your fingertips.

Educational materials on work/life topics such as caregiving, daily living and working smarter are available online, as well as personal assessments and interactive tools, including a savings center and relocation center.

Extra flexibility. For assistance with your search, we can email you. Include your email address when you request support via the web. It's just one more way for us to meet your needs.

Special features. Try using the online skillbuilders or attend a web seminar to help you learn new skills and adopt positive work/life balance habits – for good.

Call us any time, any day or go online for confidential assistance, information or resources to help resolve life's challenges.

*Some Healthy Rewards programs are not available in all states. If your CIGNA plan includes coverage for any of these services, this program is in addition to, not instead of, your plan benefits. **A discount program is NOT insurance, and the member must pay the entire discounted charge.**
