

Expecting a baby?

Pregnancy is an exciting time in your life and at Banner Desert Medical Center, patients, physicians and staff members work together to meet your family's needs throughout pregnancy, labor, delivery and recovery. We are committed to delivering personalized, compassionate care to all East Valley moms and babies.

At Banner Desert Medical Center, you have the security of knowing that you and your baby will have the best possible care before, during and after delivery.

Our experienced doctors and nurses are prepared to care for the most routine to the most complex pregnancies and deliveries and for any emergencies that may arise. Banner Desert is the East Valley's best-equipped hospital for emergencies and high-risk pregnancies.

When it comes to having a baby, discover the Banner Desert difference.

For a personalized tour with a Registered Nurse of our Maternity Services, please call 480-412-5292.

Seven Reasons to Have Your Baby at Banner Desert.

1. Round-the-clock physician coverage; 24-hour in-house OB physicians; 24-hour in-house OB Anesthesiologists; 24-hour in-house Neonatologist; 24-hour ultrasound services.
2. Only Level III Neonatal Intensive Care Unit in the East Valley. A neonatal team is available 24 hours a day to attend deliveries if needed.
3. Private labor and delivery suites as well as private postpartum rooms.
4. Alternative therapies for the laboring mother, such as a large soaking tub, birthing balls, rocking chairs to help women relax and ease the stress of labor. We also offer wireless monitors that allow mobility during labor.
5. Family Centered Care. We practice “couplet care” which means mother and baby room together and are cared for by the same nursing staff to support additional bonding. Dads can stay overnight in our comfy recliners and our visiting hours support a family-centered care philosophy.
6. To ensure the safety of each baby, tamper proof security bands are placed on each child at birth and are not removed until discharge.
7. The East Valley’s best-equipped hospital for emergencies and high risk pregnancies.

At Banner Desert Medical Center, you have the security of knowing you, your baby and your family, friends or support person will have the best possible experience before, during and after delivery.
