Volunteers make a difference

At Banner Thunderbird, volunteers play a vital role in supporting Banner Health's mission of making a difference in people's lives through excellent patient care. A hospitalization can be a very stressful time for patients and their families. Volunteers help to create a welcoming and positive patient experience by supporting the needs of our patients, their families and our staff by providing caring and helpful services throughout the medical center.

Who can volunteer?

Our volunteers make significant contributions of time and talent to the medical center and we value each individual's contribution. We welcome adults of all ages. Students who are at least 14 years of age and a freshman in high school are placed as volunteer service positions become available.

What volunteer opportunities are available?

Volunteers can choose a service position in a variety of hospital departments including patient care settings as well as ancillary services and clerical support. Our goal is to find a match for each individual's interest, talent and experience with existing opportunities within our medical center.

We currently have many volunteer positions available. In addition, we have a critical need for volunteers in the following areas:

- Golf Cart Shuttle
- Essential Care Volunteer
- Information Desk Services
- Hospital Gift Shop
- Surgery Waiting Room
- Outpatient Center

How do I become a volunteer?

You can contact Banner Thunderbird Volunteer Services at 602-865-5760. A representative will answer any questions you may have and explain the new volunteer application and orientation process. Or you can fill out an application on line at our website at www.BannerHealth.com.

You can make a difference!

Currently, over 500 volunteer men, women and teens provide over 50,000 hours of compassionate service each year to our patients and staff. Why not consider joining our team of active volunteers?

Our Mission: We exist to make a difference in people's lives through excellent patient care.
