The Banner Thunderbird Patient and Family Learning Center and Library

The **Patient and Family Learning Center and Library** provides reliable health information so you can make health care choices that are right for you. We welcome patients, their caregivers, family members, visitors and community members.

Cinda McClain, Director of Libraries
and Sue Shelly, Librarian

Our librarian has more than 20 years' experience working in hospitals. She can help you find information on diseases, treatments or medicines, and trusted information on the Internet.

Everyone is welcome here to do research, or just relax and read the newspaper.

Banner Thunderbird provides these services at no charge:

- **Help from a professional librarian in finding trustworthy and reliable answers to your personal medical questions**
- **Computers with internet access and Microsoft Office software**
- **Health-related books that you can check out for up to 3 weeks**
- **Health-related magazines to read or photocopy**
- **Brochures and pamphlets about a variety of health questions**
- **Spanish language materials, when available**
- **Information on community health events and support groups**
- **Self-service photocopier for health information**
- **Self-service fax machine for health information**
- **Music and books on CD or tape for use in patient rooms**
