Banner Staffing Services: Registry

With 23 acute-care hospitals in seven western states, Banner Staffing Services offers a world of opportunities to make an impact on one of the country's leading health systems. And we provide the best training in the business, so you can hit the ground running as you enjoy unequalled clinical variety, professional flexibility and lifestyle choices.

As a key resource for the success of our many exceptional facilities, we provide registry assignments throughout the western United States. The registry allows you to create your own schedule by offering opportunities in a variety of hospital and home care settings. Our pay rates are highly competitive, and we offer training in the country's most advanced simulation center. You will also enjoy the stability only an organization as large and successful as Banner Health can offer.
