

# Fact Sheet

## Ogallala Community Hospital

**Ogallala Community Hospital (OCH)** relocated in 2000 to a new state-of-the-art facility, is a critical access hospital serving the health care needs of west-central Nebraska. The hospital offers a full range of care including orthopedic surgery, general surgery services, and a Specialty Clinic with over thirty consulting medical specialists. Enjoy the small town charm of Ogallala, located just six miles from the shores of beautiful Lake McConaughy, Nebraska’s largest body of water with over 100 miles of shoreline, white sand beaches, and recreational opportunities for all seasons.
