

# OUTPATIENT INFUSION THERAPY SERVICES

ADULT

## ABOUT US

Banner - University Medical Center Phoenix (BUMCP) features the Central Valley's most experienced and advanced Infusion Center, offering an ever-increasing list of high quality outpatient services to adult patients. We provide infusion therapy in a caring and compassionate environment to ensure a positive patient experience. Our modern unit provides infusion reclining chairs with privacy curtains and a beautiful healing garden. Our nurses are chemotherapy validated and infusion certified, and our friendly, caring staff is dedicated to excellent care. We also participate in drug research studies through the Banner Alzheimer's Institute. This location serves adult patients only, and our team takes care of the prior authorization at this site.
