 [Evaluator Program]

Please evaluate the above-named medical student. Your evaluation will be pooled with other involved members of NCFM and a composite evaluation will be forwarded to the student's medical school. Comments/concerns not included on this evaluation will not be considered on rank night. A faculty member will be reviewing the pooled evaluations with the student at the end of their rotation. Thank you for your participation.

**General**

I did not work with this medical student.

**Knowledge Base**

Knows facts

Below Expectations 1      2	Meets Expectations 3      4	Exceeds Expectations 5      6	Cannot Judge
-----------------------------------	-----------------------------------	-------------------------------------	-----------------

Understands Concepts

Below Expectations 1      2	Meets Expectations 3      4	Exceeds Expectations 5      6	Cannot Judge
-----------------------------------	-----------------------------------	-------------------------------------	-----------------

Uses resources well (lab, library, old records, etc.)

Below Expectations 1      2	Meets Expectations 3      4	Exceeds Expectations 5      6	Cannot Judge
