## About Us

Banner Baywood Medical Center Opened in 1984 in Mesa, Arizona and provides complete acute care services in a 342-bed hospital.

Banner Baywood Medical Center also offers state-of-the-art technology including iCare, an extra layer of monitoring in intensive-care units. The hospital also has robotic surgery available and has implemented electronic-medical records, as well as a computerized system designed to reduce complications during labor and delivery.

Dedicated to joint replacement procedures, the Orthopedic Program at Banner Baywood Medical Center is one of the nation's premier orthopedic programs. The program's commitment to excellent patient care has earned it repeated recognition as one of the Top 100 Orthopedic Programs in the U.S. by The Health Network and HCIA, Inc.

In the summer 2007, Banner Baywood Medical Center added John J. Rhodes Rehabilitation to help patient with conditions such as amputations, multiple sclerosis, stroke and other illnesses and/or injuries enhance their quality of life.

Banner Baywood Medical Center employs more than 1,500 health care professionals and support staff and has approximately 500 volunteers. The facility has a medical staff of more than 800 physicians, including primary care and specialty physicians.

## Visiting Hours

Visitors can provide good medicine for patients. For your convenience, family members and friends are welcome to visit from 10 a.m. to 8 p.m. Please keep in mind that visitors may be asked to leave the room during tests or treatments when the physician or nurse needs to see the patient. Please be considerate of the amount of visitors and how long they stay if you're sharing a room with another patient.

## Banner Baywood Gift Shop
