

Hepatitis B Declination Form Students

MANDATORY HEPATITIS B VACCINE REFUSAL FORM

I understand that during my student experience at a Banner facility I have the potential of being exposed to blood or other potentially infectious materials. Because of this, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been notified that the Hepatitis B (HBV) vaccination is recommended, however, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I will continue to be at risk of acquiring Hepatitis B, should I be exposed to blood or other materials infected with this disease.
