## Visitor's Guide and Map

**About Us**  
 Banner Desert Medical Center is a 549-bed nonprofit hospital, providing a wide range of inpatient and outpatient services. The hospital is a flagship of Banner Health and is one of the largest and most comprehensive in the state of Arizona.

With its many specialty services, Banner Desert serves as a tertiary referral center for the East Valley of metropolitan Phoenix. Areas of excellence include high risk pregnancy and neonatal care, obstetrics and gynecology, pediatrics, cardiology, oncology, neurosciences and emergency medicine. At Banner Desert we also provide acute patient care, pulmonary medicine, renal disease management, rehabilitation and many more services.

Banner Desert offers state-of-the-art technology, including iCare, a telehealth program that provides an extra layer of monitoring for patients in intensive-care units. The hospital also offers a variety of minimally invasive surgical options, including robotic surgery that can help patients have a shorter recovery time.

Banner Desert employs more than 3,700 health care professionals and support staff. The facility has a medical staff of more than 1,200 physicians representing 65 specialties.
