Visitor's Guide and Map

Banner Gateway Medical Center and Banner MD Anderson Cancer Center share a medical campus at US 60 and Higley Road in Gilbert, Arizona. Banner Gateway Medical Center offers leading edge hospital care focused on cancer, obstetrics, general surgery, emergency services and other services according to community need. More than 4,000 babies are born each year at Banner Gateway. The hospital is designated as a Center of Excellence for weight loss surgery and offers several weight loss options.

Banner Health and The University of Texas MD Anderson Cancer Center opened Banner MD Anderson Cancer Center on Sept. 26, 2011 on the campus of Banner Gateway Medical Center in Gilbert, Arizona.

The center joins Banner Health, one of the country's largest nonprofit hospital systems, with MD Anderson, internationally renowned for its cancer treatment and research, to deliver unprecedented levels of cancer care in Arizona.

One of the most distinctive features of Banner MD Anderson is multidisciplinary care, a team-oriented treatment approach. A team of physicians and clinical support staff dedicated to treating specific cancers works together to develop a treatment plan jointly with each patient.
