

Banner Cardiovascular Center - Arcadia

Your Cardiologist has scheduled you for a procedure at Banner Cardiovascular Center - Arcadia, an Arizona State licensed, Medicare certified, and Joint Commission accredited Ambulatory Surgery Center.

You will receive a call from one of our RNs within a week of your scheduled procedure. This call is completed to ensure patient safety and to confirm that we have received your accurate medical history information, and is required to prevent your procedure from being rescheduled.

Follow your physician's instructions for not eating or drinking prior to your procedure (that includes: gum, candy, mints, and throat lozenges). If patient smokes, we recommend not smoking after midnight prior to procedure date.

Patients undergoing General Anesthesia must refrain from using chewing tobacco 24 hours prior to procedure.

If you take medication to manage diabetes, contact the physician who prescribed the medication to determine dose required, if needed, for the night before and day of surgery.

Only take medications the date of procedure as instructed by your physician.

Patients who begin to run a fever over 100 degrees, have a productive cough, general cold symptoms, vomiting or diarrhea 48 hours prior to procedure should contact their physician immediately as procedure may need to be rescheduled.

Any patient having sedation or anesthesia in our center will need to be accompanied by a responsible adult who must be present at the facility before discharge and accompany them home. Using a bus or car sharing service, such as Lyft or Uber, for transportation is not permitted for your safety.

You will need a picture ID, your medical insurance card and any money due for your procedure. Please leave all valuables and jewelry at home. We will contact you prior to the scheduled procedure to discuss any financial responsibility you may have.

Following these guidelines will decrease the possibility of your case being canceled.

Thank you for entrusting us with your procedure. We look forward to providing you with excellent patient care!
