

# Getting Started with eVisit on Your Android device

You've set up your video visit with your provider and now it's time to access Banner Telehealth online. Follow the instructions below to access Banner eVisit from your Android device.

## 1.

**Launch Google Play from the home screen, and search "eVisit Telehealth".**

**Download the eVisit Telehealth app by tapping "Install".**

## 2.

**Open your email app and look for the eVisit invitation.**

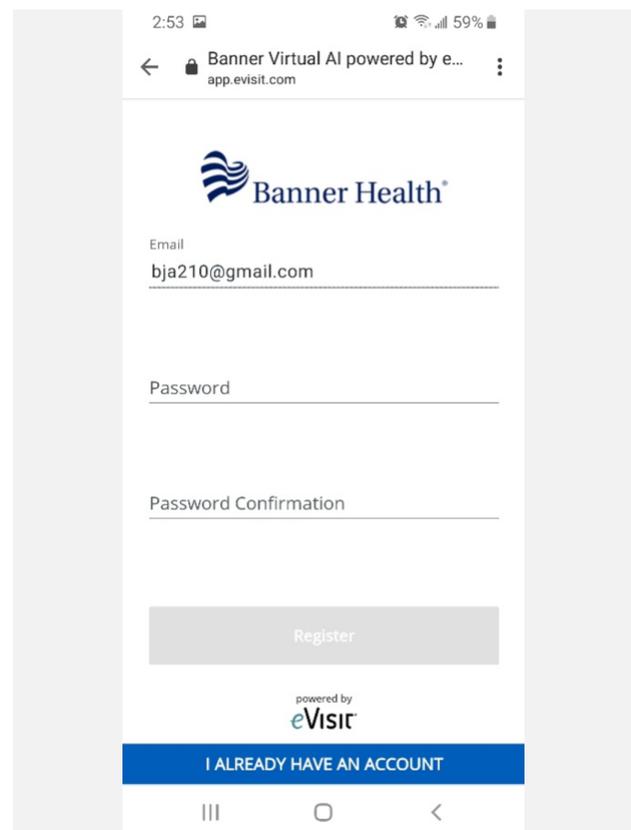

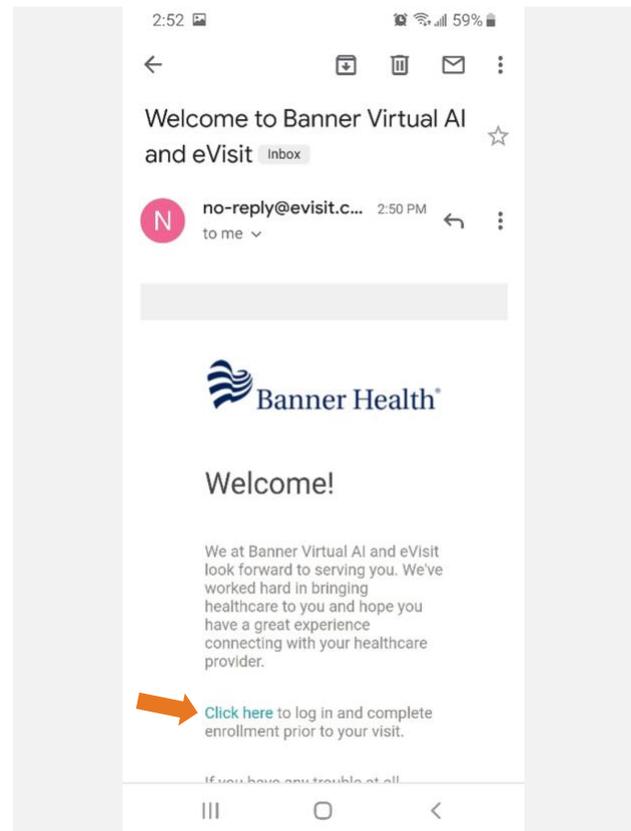

Email Sender shown as:  
[no-reply@evisit.com](mailto:no-reply@evisit.com)

Email Subject:  
Welcome to Banner Virtual AI and eVisit

**Tap the link in the email to register your account.**

## 3.

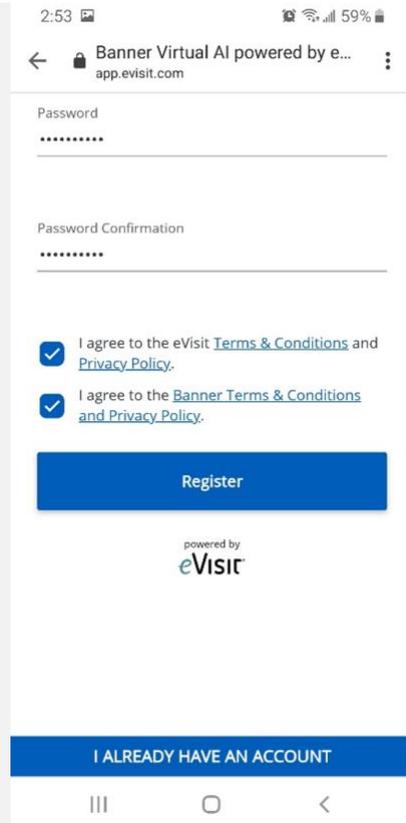

**You will be asked to provide your email address and to choose/confirm a password. Once complete, tap "Register".**

**4.**

**Scroll to the bottom and acknowledge the terms & conditions and privacy policies by tapping the checkboxes.**

**Tap "Register".**

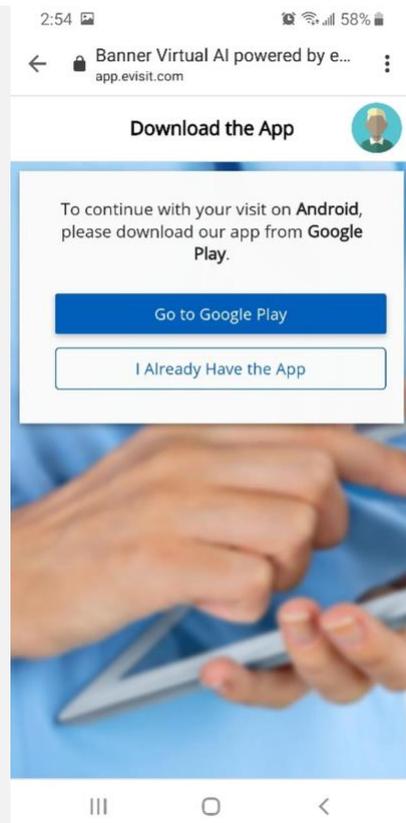

A screenshot of a mobile registration form. At the top, the time is 2:53 and the battery is at 59%. The page title is "Banner Virtual AI powered by eVisit" with the URL "app.evisit.com". There are two password fields: "Password" and "Password Confirmation", both with masked characters. Below the fields are two checkboxes, both checked, with the text "I agree to the eVisit Terms & Conditions and Privacy Policy." and "I agree to the Banner Terms & Conditions and Privacy Policy." respectively. A blue "Register" button is centered below the checkboxes. At the bottom, there is a blue button labeled "I ALREADY HAVE AN ACCOUNT". The Android navigation bar is visible at the very bottom.

**5.**

**To begin confirming your appointment, launch the eVisit app by tapping "I Already Have the App".**

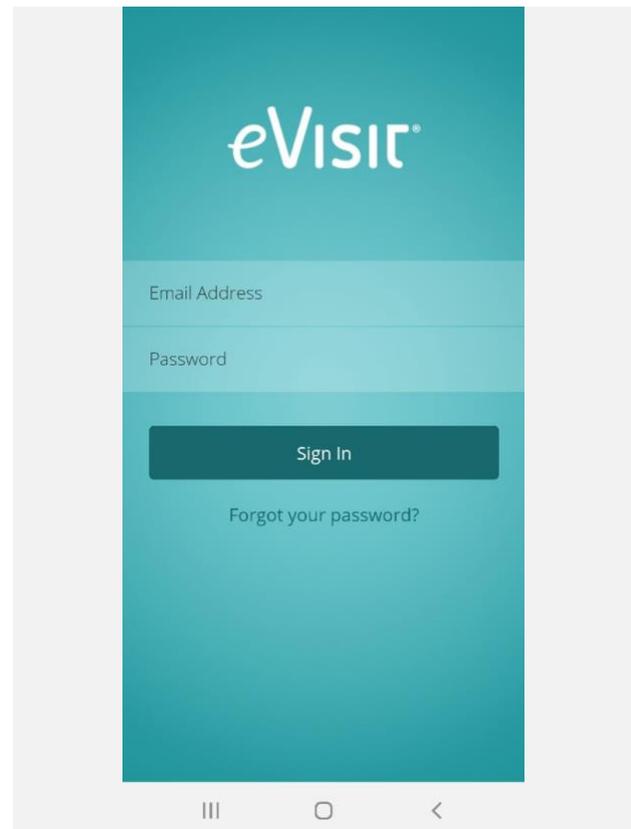

**If you have not downloaded the eVisit App, return to Step 1.**

A screenshot of a mobile app download prompt. At the top, the time is 2:54 and the battery is at 58%. The page title is "Banner Virtual AI powered by eVisit" with the URL "app.evisit.com". Below the title is a "Download the App" button with a profile icon. A white dialog box is overlaid on the screen with the text "To continue with your visit on Android, please download our app from Google Play." Below the text are two buttons: a blue "Go to Google Play" button and a white "I Already Have the App" button. The background of the screen shows a person's hands holding a smartphone. The Android navigation bar is visible at the bottom.

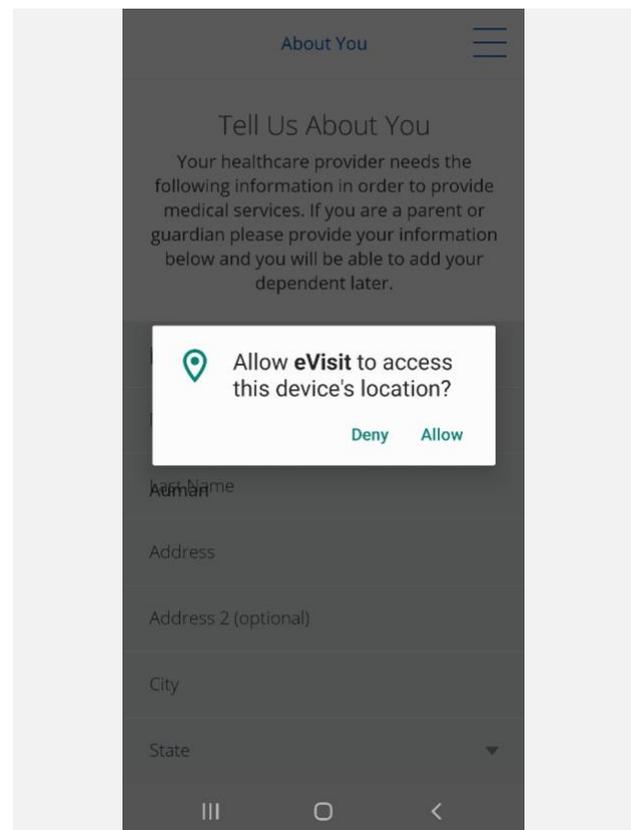

**6.**

**Sign in to the eVisit app using your email address and chosen password.**

**7.**

**You will be asked to allow the eVisit app to access your location information. Tap "Allow".**

## 8.

**You will be asked to provide some important information about yourself.**

**Scroll to the bottom to proceed.**

The screenshot shows a mobile app interface for an 'About You' form. At the top, there is a header with 'About You' and a hamburger menu icon. Below the header, the title 'Tell Us About You' is displayed, followed by a paragraph: 'Your healthcare provider needs the following information in order to provide medical services. If you are a parent or guardian please provide your information below and you will be able to add your dependent later.' The form consists of several input fields: 'First Name' with the value 'Briana', 'Middle Name (optional)', 'Last Name' with the value 'Auman', 'Address', 'Address 2 (optional)', 'City', and 'State' with a dropdown arrow. At the bottom, there is a navigation bar with three icons: a home icon, a circle icon, and a back arrow.

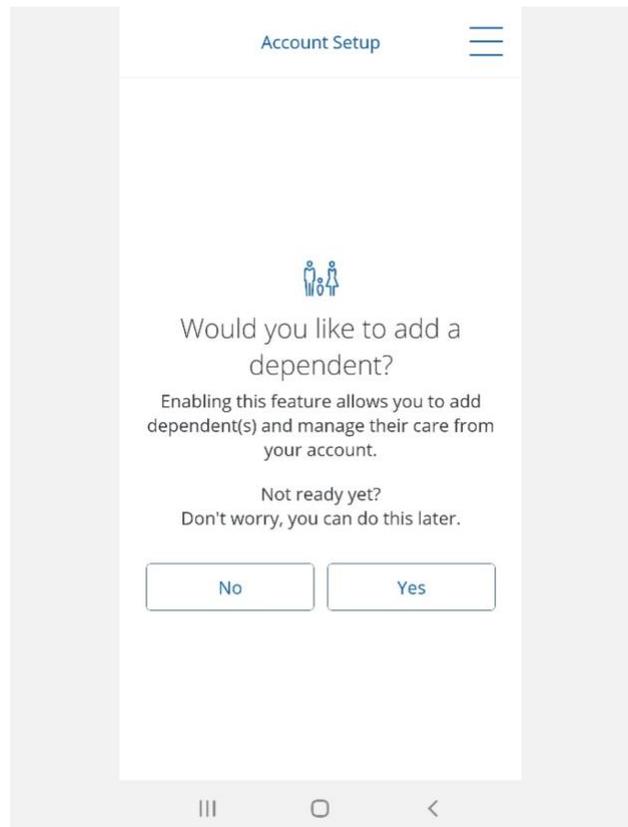

## 9.

**Optional: Add a profile picture**

The screenshot shows a mobile app interface for an 'Add a Profile Picture' screen. At the top, there is a header with 'Back' and 'Account Setup' and a hamburger menu icon. Below the header, the title 'Add a Profile Picture' is displayed, followed by a paragraph: 'Help your provider get to know you by making your profile more personal.' In the center, there is a circular profile picture placeholder with the initials 'BA' and a small circular icon with a plus sign and a square. Below the placeholder, there is a blue 'Upload' button and a 'Skip' link. At the bottom, there is a navigation bar with three icons: a home icon, a circle icon, and a back arrow.

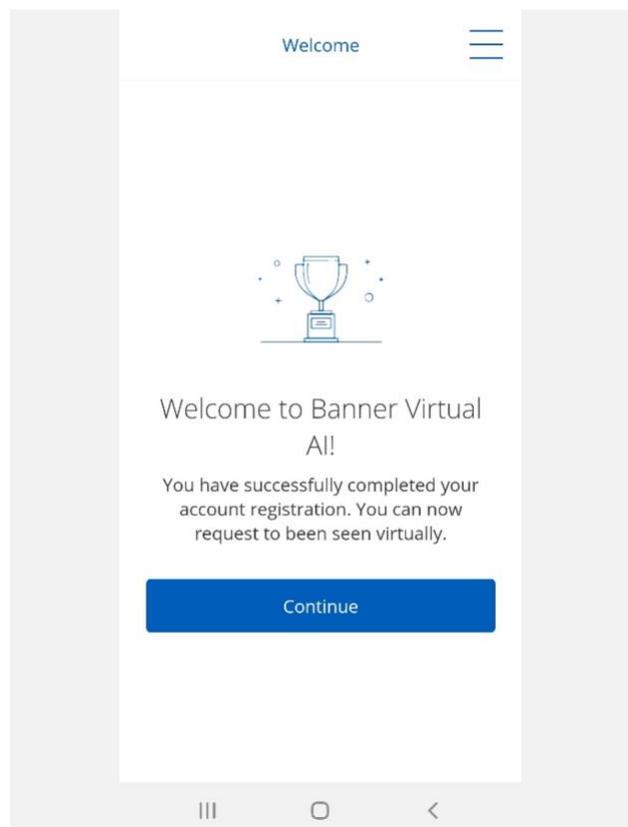

## 10.

Optional: Add a dependent (you can do this later at any time)

## 11.

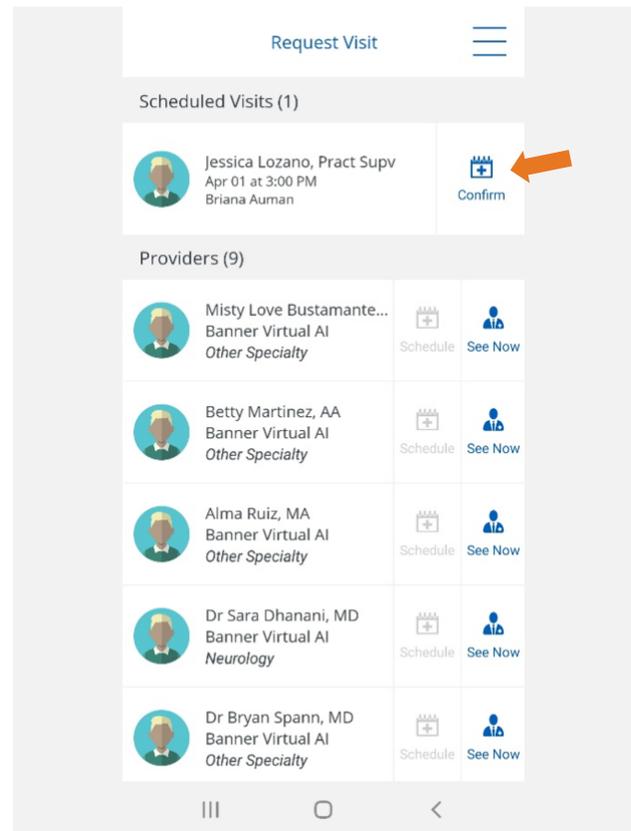

Your account is established. Tap "Continue".

## 12.

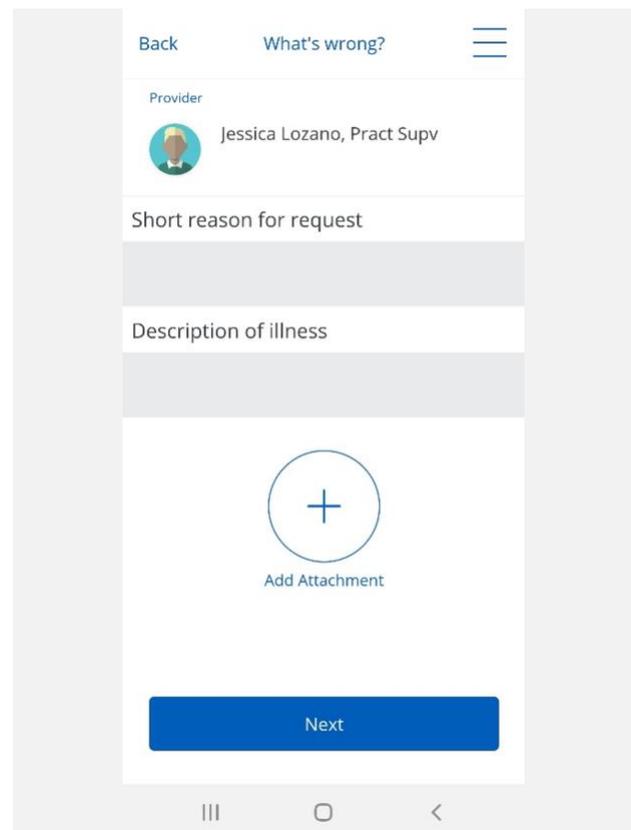

Here, you will see your list of scheduled visits, along with a list of available providers.

Tap "Confirm" to proceed with confirming your visit.

## 13.

Enter a reason for your visit, and a description of your illness, then tap "Next".

## 14.

You will be asked to acknowledge the terms of submitting your information. Tap the checkbox, then tap "Confirm & Request Visit".
