

FAQs

Frequently Asked Questions

May I volunteer at the BUMC Medical facility of my choice?

- Yes, volunteer opportunities are available at all of our Tucson campuses: Banner University Medical Center Tucson, Banner University Medical Center South, Banner Children's at Diamond Children's Hospital, the University of Arizona Cancer Center North, and ambulatory clinics throughout the region, including our brand-new North Clinics.

What types of volunteer opportunities are available at BUMC?

- Volunteer opportunities include:
 - Information Desks/Concierge
 - Administrative and project support
 - Floor Support (at various hospital and clinic departments)
 - Pediatrics: Libraries/Reading Programs, tutoring, Child Life
 - Pet Therapy
 - Music Therapy
 - Emergency Room Assistance
 - Retail/Gift Shops
 - Spiritual Care
 - Surgery Waiting Rooms
 - BUMC also utilizes volunteer support for single-day events and or long-term projects.

Is court-mandated community service available through Banner University Medical Center (BUMC) Volunteer Resources?

- The Volunteer Resources Department is unable to provide court-ordered community service.

Does the Volunteer Resources Department provide observation, shadowing or internship opportunities?

- The Volunteer Resources Department does not currently oversee this experience. However, we are able to provide employees a copy of Banner's most current Observation policy. For all non-employees please contact BH-studentcoordination@bannerhealth.com for inquiries. For more information, please e-mail us at BUMCVolunteer@bannerhealth.com.

Where can I find my health records?

- You can request health documentation through your physician, educational institution (college, high school, etc.), State Department of Health, or County Health Department.

Can the Volunteer Resources Department give me a copy of my background check?

- The Volunteer Resources Department is unable to provide a copy or results of background checks. Please contact the background reporting company to request a copy of your results.

Can the Volunteer Resources Department give me a copy of my health records or send them to other departments?

- Unfortunately, Volunteer Resources is unable to keep health records on file. Please contact Employee Health to request health documentation
