# Welcome

## **Welcome to Banner – University Family Care/ALTCS.**

Banner – University Family Care/ALTCS (B – UFC/ALTCS) offers a comprehensive network of providers who treat behavioral and physical health care needs for all members. Building our provider network is a collaborative effort and together we select providers for our members. All providers deliver a wide range of services in a culturally sensitive manner specific to your needs. This includes specialty services for all age ranges.

The service area covered in this provider directory is **Cochise, Gila, Graham, Greenlee, La Paz, Pima, Santa Cruz and Yuma.**

## **How do you find B – UFC/ALTCS providers in your area?**

Our provider directory includes a listing of our in-network providers who offer physical and behavioral health services. Providers are listed alphabetically, by city, specialty and provider's last name. All providers included in the directory accept Medicaid.

The directory includes a listing of services that may be available to adults who are:

- Determined to have a serious mental illness (SMI).
- Eligible for Medicaid (*also called the Arizona Health Care Cost Containment System or AHCCCS*).
- Determined to have general mental health or substance abuse issues.

A listing of all available providers can be found online at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

The online directory includes the following details: locations, telephone numbers and languages. Internet services are offered at most public libraries at no cost if you are unable to access the internet from home.

The online directory is available in other formats, such as large print and other languages. You can request a copy of this directory in another language. For more information, please call our Customer Care Center at (833) 318-4146, TTY 711. Or visit our website at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## **Complete Care Primary Care**

Your health care program is designed to manage your physical and behavioral health. This is what we call "Complete Care." Providers will work together to evaluate and help you manage your whole health care needs. This includes medication and case management.

Your Primary Care Provider (PCP) is your assigned provider. Your PCP plays an important role in your health care. Members do have a choice of providers. The role of your PCP is to help coordinate your healthcare needs. You may choose any PCP in this directory. You may also choose to allow your PCP and your behavioral health team to share information.

## How to Change Your PCP

If you would like to change your PCP, please call our Customer Care Center, and we will help you.

- Changes you make will normally occur on the same day we receive the request.
- We encourage you to not change your PCP more than five times a year.

To get more information about your health care needs, please see your Member Handbook. For information, please call our Customer Care Center at (833) 318-4146, TTY 711. Or visit our website at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## Specialty Care

### Referrals

You may go to any of the providers listed in this directory. Some services and specialists may require a referral. That means you must get approval in advance. Your PCP will give you a referral to see a specialist if they think you need specialized treatment. A specialist is a provider who provides health care services for a specific disease or part of the body.

### Some examples of specialists include:

- Oncologists, who specialize in treating cancer.
- Cardiologists, who treat heart conditions.
- Orthopedists, who treat bone, joint or muscle conditions.

B – UFC/ALTCS must review all referral requests. Your PCP's office will let you know if your prior authorization request is approved. If your PCP's request is denied, B – UFC/ALTCS will let you know by mail. The letter sent by B – UFC/ALTCS will also tell you about your appeal rights and how to request an appeal or a hearing.

It's very important to get a referral from your PCP before you see a specialist. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.

If the specialist wants you to come back for follow up visits, be sure to check with your PCP to find out if these visits are included under your original referral. If they aren't included, your PCP can help you get a new referral for the additional visits.

If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals. Certain health care services require prior authorization from B – UFC/ALTCS. This means the service must be approved by B – UFC/ALTCS before it will be covered. Examples are services such as hospitalization or outpatient surgery. Please check your Member Handbook for a complete list of services that require prior authorization.

To get more information about your health care needs, please see your Member Handbook. For information, please call our Customer Care Center at (833) 318-4146, TTY 711. Or visit our website at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

### **What services don't require approval in advance from a PCP?**

Some services you can get on your own. That means you don't need a referral from your PCP. You must see a B – UFC/ALTCS in network provider for these services. This includes routine women's health care, such as breast exams, mammograms (*X-rays of the breast*), pap tests and pelvic exams, flu and pneumonia vaccinations (*as long as you get them from a B – UFC/ALTCS provider*).

**NOTE:** Women 18 and older can have a well-woman checkup that includes a pap and mammogram screening once a year without a referral from their PCP. Please contact our Customer Care Center for more information about the well-woman checkup.

### **Changes to Providers Listed in the Directory**

Changes can occur, and sometimes we add or remove providers. B – UFC/ALTCS posts a monthly directory on our website. Providers may be added or removed after the directory was printed. For the most current provider information, please visit our website at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

### **What if you have a medical emergency?**

Get medical help as quickly as possible. Call 911 for help. You can also go to the nearest emergency room or urgent care center. You don't need to get prior approval. You don't need to get a referral. You may get covered emergency medical care whenever you need it, anywhere in the United States. Ambulance services are covered in the United States when other means of transportation would endanger your health.

*Important Reminder:* Do not go to the emergency room for normal health care. The emergency room is for emergencies only. If you need urgent care but the condition is not life threatening, contact your PCP office any time. Your PCP's office will decide the level of care you need.

Please remember it is very important to tell the Emergency Department staff that you are a B – UFC/ALTCS member and show your B – UFC/ALTCS member ID card. If you are unable to do this, have a family member or friend tell the Emergency Department staff that you are a B – UFC/ALTCS member. If you need emergency care while out of the county or state, please show your B – UFC/ALTCS ID Card to the doctor or hospital so they can call your PCP to let him or her know of your situation.

### **Examples of urgent symptoms (*non-emergencies*) are:**

- Vomiting for more than six hours (*if young child, call PCP*)
- Diarrhea for more than six hours (*if young child, call PCP*)
- Sprained ankle
- Minor burns
- A minor allergic reaction
- Rashes
- Flu
- Sore throat with a fever
- Earache

## **Your Rights to Services**

You and your family have the right to receive services that meet your needs. You have the right to receive them in a timely manner. For information, please call our Customer Care Center at (833) 318-4146, TTY 711. Or visit our website at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## **Out of Network Providers**

“Out of Network Providers” are providers that are not part of the B – UFC/ALTCS network. If you use non-contracted providers without getting prior approval from your PCP or B – UFC/ALTCS, you may have to pay the full cost of the services. You must use network providers, except in emergency or urgent care situations, for out of area renal dialysis or other services. If you get routine care from out of network providers, neither AHCCCS nor B – UFC/ALTCS will be responsible for the costs.

## **What should you do if you get a bill from an out of network provider, and you think that it should be paid by B – UFC/ALTCS?**

We cover certain health care services that you get from non-contracted providers. These include care for a medical emergency, urgently needed care, renal (*kidney*) dialysis that you get when you’re outside the B – UFC/ALTCS service area and care that has been approved in advance by B – UFC/ALTCS.

If you get a bill for the services, don’t pay it. For processing: send the bill to the following address listed below:

Banner – University Family Care  
Customer Care Center  
Reimbursement  
5255 E Williams Circle, Ste 2050  
Tucson, AZ 85711

If you have already paid for the services, submit a copy of the bill and proof of payment to us. We will process the claim. If the claim is payable, you will be reimbursed for our share of the cost. If we deny the claim, you will be notified in writing. We will also provide you with your appeal rights.

If you have questions about a bill you received, you can call our Customer Care Center. For information, please call our Customer Care Center at (833) 318-4146, TTY 711. Or visit our website at [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

# Bienvenido

## **Bienvenido a Banner – University Family Care/ALTCS.**

Banner – University Family Care/ALTCS (B – UFC/ALTCS, por sus siglas en inglés) ofrece una amplia red de proveedores que tratan las necesidades de atención médica física y comportamental de todos los miembros. Construir nuestra red de proveedores es un esfuerzo de colaboración y juntos seleccionamos proveedores para todos nuestros miembros. Todos los proveedores proporcionan una amplia gama de servicios de una manera culturalmente sensible específica a sus necesidades, y esto incluye servicios especializados para todos los rangos de edad.

El área de servicio cubierta en este directorio de proveedores es **Cochise, Gila, Graham, Greenlee, La Paz, Pima, Santa Cruz and Yuma.**

## **¿Cómo encuentra proveedores de B – UFC/ALTCS en su área?**

Nuestro directorio de proveedores incluye una lista de nuestros proveedores dentro de la red que ofrecen servicios de salud física y comportamental. Los proveedores se enumeran alfabéticamente, por ciudad, especialidad y apellido del proveedor. Todos los proveedores incluidos en el directorio aceptan Medicaid.

El directorio incluye una lista de servicios que pueden estar disponibles para adultos que:

- Tienen una Enfermedad Mental Grave (SMI, por sus siglas en inglés).
- Califican para Medicaid (*también conocido como Sistema de Contención de Costos de Cuidado de Salud de Arizona, o AHCCCS*).
- Tienen problemas de salud mental generales o con abuso de sustancias.

Una lista de todos los proveedores disponibles se puede encontrar en línea en [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

El directorio en línea incluye los siguientes detalles: ubicaciones, números de teléfono e idiomas. Los servicios de Internet se ofrecen en la mayoría de las bibliotecas públicas sin costo si no tiene Internet en su hogar.

El directorio en línea está disponible en otros formatos, como letra grande y otros idiomas. Puede solicitar una copia de este directorio en otro idioma. Para más información, llame a nuestro Centro de Atención al Cliente al (833) 318-4146, TTY 711. O bien visite nuestro sitio web en [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## **Atención Primaria Cuidado Completo**

Su programa de atención médica está diseñado para administrar su salud física y comportamental. Esto es a lo que llamamos "Cuidado Completo". Los proveedores trabajarán juntos para evaluar y ayudarlo a manejar todas sus necesidades de atención médica. Esto incluye medicamentos y administración de casos.

Su Proveedor de Atención Primaria (PCP, por sus siglas en inglés) es su proveedor asignado. Su PCP juega un papel importante en su atención médica. Los miembros tienen una opción de proveedores. La función de su PCP es ayudar a coordinar sus necesidades de atención médica. Puede elegir cualquier PCP en este directorio. También puede optar por permitir que su PCP y su equipo de salud comportamental compartan información.

**Actualizado: 15 de enero de 2024**

## **Cómo Cambiar su PCP**

Si desea cambiar su PCP, llame a nuestro Centro de Atención al Cliente y le ayudaremos.

- Los cambios pueden ocurrir el mismo día en que recibamos la solicitud.
- Le recomendamos que no cambie su PCP más de cinco veces al año.

Para más información sobre sus necesidades de atención médica, consulte su Manual para Miembros. Para obtener información, llame a nuestro Centro de Atención al Cliente al (833) 318-4146, TTY 711. O bien visite nuestro sitio web en [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## **Especialistas**

### **Referencias Médicas**

Puede ir a cualquiera de los proveedores enumerados en este directorio. Algunos servicios y especialistas pueden requerir una referencia médica. Eso significa que debe obtener la aprobación por adelantado. Su PCP le dará una referencia médica para ver a un especialista si cree que necesita tratamiento especializado. Un especialista es un proveedor que proporciona servicios de atención médica para una enfermedad específica o parte del cuerpo.

### **Algunos ejemplos de especialista incluyen:**

- Oncólogos, que se especializan en el tratamiento del cáncer.
- Cardiólogos, que tratan afecciones cardíacas.
- Ortopedistas, que tratan afecciones óseas, articulares o musculares.

B – UFC/ALTCS debe revisar todas las solicitudes de referencias médicas. El consultorio de su PCP le informará si su solicitud de autorización previa es aprobada. Si la solicitud de su PCP es denegada, B – UFC/ALTCS se lo hará saber por correo. La carta enviada por B – UFC/ALTCS también le informará sobre sus derechos de apelación y cómo solicitar una apelación o una audiencia.

Es muy importante obtener una referencia médica de su PCP antes de ir a un especialista. Si no tiene una referencia médica antes de recibir los servicios de un especialista, es posible que tenga que pagar por ellos.

Si el especialista quiere que regrese para las consultas de seguimiento, asegúrese de checar con su PCP para averiguar si estas consultas están incluidas en su referencia médica original. Si no están incluidas, su PCP puede ayudarle a obtener una nueva referencia médica para las consultas adicionales.

Si hay hospitales específicos que desea usar, averigüe si su PCP usa estos hospitales. Ciertos servicios de atención médica requieren autorización previa de B – UFC/ALTCS. Esto significa que el servicio debe ser aprobado por B – UFC/ALTCS antes de cubrirlo.

Algunos ejemplos son servicios como la hospitalización o la cirugía ambulatoria. Consulte su Manual para Miembros para obtener una lista completa de los servicios que requieren autorización previa.

Para más información sobre sus necesidades de atención médica, consulte su Manual para Miembros. Para información, llame a nuestro Centro de Atención al Cliente al (833) 318-4146, TTY 711. O bien visite nuestro sitio web en [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## ¿Cuáles servicios no requieren la aprobación previa de un PCP?

Algunos servicios puede obtenerlos por su cuenta. Eso significa que no necesita una referencia médica de su PCP. Usted debe ir con un proveedor dentro de red de B – UFC/ALTCS para estos servicios. Esto incluye la atención médica de rutina para las mujeres, como exámenes de mama, mamografías (*radiografías de los senos*), *Papanicolaou* y *exámenes pélvicos*, *vacunas contra la gripe y la neumonía* (*siempre y cuando las obtenga de un proveedor de B – UFC/ALTCS*).

*Nota:* Las mujeres mayores de 18 años pueden hacerse un chequeo de bienestar para mujeres que incluye un Papanicolaou y una mamografía una vez al año sin una referencia médica de su PCP. Comuníquese con nuestro Centro de Atención al Cliente para obtener más información sobre el chequeo de bienestar para mujeres.

## Cambios en los Proveedores Listados en el Directorio

Pueden producirse cambios, y a veces agregamos o eliminamos proveedores. B – UFC/ALTCS publica un directorio mensual en nuestro sitio web. Los proveedores se pueden agregar o eliminar después de imprimir el directorio. Para obtener la información más actualizada sobre los proveedores, visite nuestro sitio web en [www.BannerHealth.com/ALTCS](http://www.BannerHealth.com/ALTCS).

## ¿Y pasa si tiene una emergencia médica?

Obtenga ayuda médica lo más pronto posible. Llame al 911 para pedir ayuda. También puede ir a la sala de emergencias o al centro de urgencias más cercano. No necesita obtener una aprobación previa. No necesita obtener una referencia médica. Puede obtener cobertura de atención médica de emergencia cubierta siempre que la necesite, en cualquier parte de los Estados Unidos. Los servicios de ambulancia están cubiertos en los Estados Unidos cuando otros medios de transporte pondrían en peligro su salud.

*Recordatorio Importante:* No vaya a la sala de emergencias para recibir atención médica estándar. La sala de emergencias es solo para emergencias. Si necesita atención urgente pero la afección no pone en peligro su vida, comuníquese con el consultorio de su PCP a cualquier hora. El consultorio de su PCP decidirá el nivel de atención médica que necesita.

Recuerde que es muy importante decirle al personal de la Sala Emergencias que usted es miembro de B - UFC/ALTCS y muestre su tarjeta de identificación de miembro B - UFC/ALTCS. Si no puede hacer esto, pídale a un familiar o amigo que le diga al personal de la Sala de Emergencias que usted es un miembro B – UFC/ALTCS. Si necesita atención de emergencia mientras está fuera del condado o estado, muestre su tarjeta de identificación B - UFC/ALTCS al doctor u hospital para que puedan llamar a su PCP para informarle de su situación.

## Ejemplos de síntomas urgentes (*no de emergencia*) son:

- Vómito por más de seis horas (*si es un niño pequeño, llame al PCP*)
- Diarrea por más de seis horas (*si es un niño pequeño, llame al PCP*)
- Torcedura de tobillo
- Quemaduras leves
- Una reacción alérgica leve
- Sarpullido
- Gripe
- Dolor de garganta con fiebre
- Dolor de oídos

## **Proveedores Fuera de la Red**

Los “Proveedores Fuera de la Red” son proveedores que no forman parte de la red de B – UFC/ALTCS. Si utiliza proveedores no contratados sin obtener la aprobación previa de su PCP o B – UFC/ALTCS, es posible que tenga que pagar el costo total de los servicios. Debe usar proveedores de la red, excepto en situaciones de emergencia o urgencia o para diálisis renal fuera del área u otros servicios. Si recibe atención de rutina de proveedores fuera de la red, ni AHCCCS ni B – UFC/ALTCS serán responsables de los costos.

## **¿Qué debe hacer si recibe una factura de un proveedor fuera de la red y cree que debería ser pagada por B – UFC/ALTCS?**

Nosotros cubrimos ciertos servicios de atención médica que usted recibe de proveedores sin contratos. Estos incluyen atención para una emergencia, atención que se necesita con urgencia, diálisis renal (*riñón*) que recibe cuando está fuera del área de servicio de B – UFC/ALTCS y atención médica que ha sido aprobada por adelantada por B – UFC/ALTCS.

Si recibe una factura por los servicios, no la pague. Para procesarla: envíe la factura a la dirección a continuación:

Banner – University Family Care
