## Section 1 – Introduction

This directory provides a list of Banner Medicare Advantage Prime’s dental network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. However, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other physicians/providers are available in our network.

Some specialists might ask for a referral from your PCP before they will agree to see you. The specialist needs to have an understanding of your medical history and the conditions the specialist will need to treat. This information prepares the specialist to provide you with the most efficient and highest quality care.

If you receive a bill from a non-contracted provider, do not pay the bill. Send the bill to Banner Medicare Advantage Prime in order for us to process and determine if you have any liability for the bill.

When you have a “medical emergency,” you believe that your health is in serious danger. A medical emergency can include severe pain, a bad injury, a sudden illness or a medical condition that is quickly getting much worse. If you have a medical emergency: Get help as quickly as possible.

Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP, even if you are out of the service area.

As soon as possible, make sure that Banner Medicare Advantage Prime has been notified about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. You can find the number to call on the back of your plan membership ID card or on the back cover of this document.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care.

When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Banner Medicare Advantage Prime will be responsible for the costs.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Care Center or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

## Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red dental de Banner Medicare Advantage Prime. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura (EOC, por sus siglas en inglés).

Los proveedores de la red que figuran en este directorio han acordado brindarle sus servicios dentales. Puede acudir a cualquiera de los proveedores enumerados en este directorio. Sin embargo, algunos servicios podrían requerir una referencia médica. Si ha estado acudiendo a un proveedor de la red, no está obligado a seguir acudiendo a ese mismo proveedor. En algunos casos, puede obtener servicios cubiertos de proveedores fuera de la red. Otros doctores/proveedores están disponibles en nuestra red.

Algunos especialistas pueden solicitar una referencia médica de su PCP antes de aceptar verlo. El especialista debe comprender su historial médico y las afecciones que deberá tratar. Esta información prepara al especialista para brindarle la atención más eficiente y de la más alta calidad.

Si recibe una factura de un proveedor no contratado, no la pague. Envíela a Banner Medicare Advantage Prime para procesarla y determinar si usted tiene alguna responsabilidad por la factura.

Cuando tiene una "emergencia médica", cree que su salud está en grave peligro. Una emergencia médica puede incluir dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que empeora rápidamente. Si tiene una emergencia médica: Obtenga ayuda lo antes posible.

Llame al 911 para obtener ayuda o vaya a la sala de emergencias, hospital o centro de urgencias más cercano. Llame a una ambulancia si la necesita. No necesita obtener una aprobación o referencia médica de su PCP, incluso si se encuentra fuera del área de servicio.

Tan pronto como sea posible, asegúrese de que Banner Medicare Advantage Prime haya sido notificado sobre su emergencia. Necesitamos hacer un seguimiento de su atención médica de emergencia. Usted u otra persona debe llamarnos para informarnos sobre su atención de emergencia, generalmente en un lapso de 48 horas. Puede encontrar el número para llamar en el reverso de su tarjeta de identificación de membresía del plan o en la contraportada de este documento.

Si recibe atención de emergencia en un hospital fuera de la red y necesita atención hospitalaria después de que se estabilice su condición de emergencia, debe tener su atención hospitalaria en el hospital fuera de la red autorizado por el plan y su costo es el costo compartido que pagaría en un hospital de la red.

La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando se encuentre en el área de servicio, debe usar proveedores del plan para atención de urgencia.

Cuando se esté fuera del área de servicio, puede obtener atención de urgencia del primer proveedor disponible. Además, cuando esté fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado.

Debe usar proveedores de la red, excepto en situaciones de emergencia o urgencia, o para diálisis renal fuera del área u otros servicios. Si recibe atención médica de rutina de proveedores fuera de la red, ni Medicare ni Banner Medicare Advantage Prime serán responsables de los costos.

Los proveedores fuera de la red o no contratados no tienen ninguna obligación de tratar a los miembros del plan, excepto en situaciones de emergencia. Por favor llame a nuestro Centro de Atención al Cliente o consulte su Evidencia de Cobertura para obtener más información, incluyendo el costo compartido que se aplica a los servicios fuera de la red.
